CHARMANT FUJI; METICULOUSLY DESIGNED LIVING SPACES

<https://mskproperty.com>

This apartment complex of 266.61m² houses 14 separate units... Built back in September of 1990 in the ever-growing and changing district of Sakai, Osaka, this 3-story apartment complex somehow masterfully fits 14 units for it's tenants to reside in. The total land area is 215.92m², plenty of space for this architect to work in 14... [Read More »Charmant Fuji; meticulously designed living spaces](#)
